 **Pandemic Unemployment Assistance**
PUA provides for individuals not eligible for regular unemployment

Pandemic Unemployment Assistance (PUA)

PUA provides up to 39 weeks of benefits to qualifying individuals who are otherwise able to work and available for work within the meaning of applicable state law, except that they are unemployed, partially unemployed, or unable or unavailable to work due to COVID-19 related reasons, as defined in the CARES Act. Benefit payments under PUA are retroactive, for weeks of unemployment, partial employment, or inability to work due to COVID-19 reasons starting on or after January 27, 2020. The CARES Act specifies that PUA benefits cannot be paid for weeks of unemployment ending after December 31, 2020.
