

Participating Contractors

As of July 15, 2024

Contractors are listed in alphabetical order by the county in which their business is located. Many contractors on this list have service areas that include other counties. Applicants are not required to use a contractor in their own county and are encouraged to contact businesses from surrounding areas to inquire about the types of services they offer and areas served.

West Virginia Homeowners Rescue Program Participating Contractors are those who meet the minimum qualifications to participate in the program as outlined by West Virginia Homeowners Rescue Program policies. Nothing contained herein should be considered as an endorsement or recommendation by the West Virginia Housing Development Fund or the West Virginia Homeowners Rescue Program of any company or individual contractor.
